

King County

2004 Community Gardens Program

Welcome If you enjoy growing things but lack the space to do as much as you would like, community gardening might be the answer for you. Community Gardening is a marvelous opportunity to enjoy the company of other people who like to work the soil, and to have fun while producing something to show for your efforts.

Don't worry if you're new to gardening, our regulars will show you the ropes! Gardening expertise is available through the King County Extension Services Master Gardener Program at 206-296-3440. Audiotapes on common gardening problems are available, call 206-296-3425

King County Parks and Recreation
PO Box 3517
Redmond, WA 98073

King County Community Gardens at North Green River Park

**Green River Road at
94th Place South *near Kent***

How to apply for your Community Garden...

Complete this application form and submit it along with correct fee payment.

**Make checks payable to
King County Parks**

**Mail applications to:
King County Parks & Recreation
PO Box 3517
Redmond, WA 98073**

To register with VISA, MasterCard or Discover card call **206-205-8751**
toll free 1-800-325-6165 x 58751
fax to 206-296-1437

Returning gardeners from 2003: *To receive priority plot assignment, applications must be received by March 5, 2004.* Multiple plots must be paid for at the same time or they may not be side-by-side.

Notification of plot assignments begins March 12 for returning gardeners. Notification for new gardeners and returning gardeners requesting additional plots will be made between March 19 and April 9. Applications received after April 9 will be notified of assignments as space is available.

Individuals with or without disabilities may register for this program provided program and safety requirements can be met. King County provides reasonable accommodations for people with disabilities. Please call three (3) weeks in advance of the program start date to discuss accommodations. Reasonable accommodations will be determined on a case-by-case basis.

This handout is available in alternate format upon request.

Community Gardens Rules

These rules are designed to help the garden run smoothly for all. We appreciate the cooperation and community spirit that makes this a successful program. However, any gardener who continues to break these rules after warning will lose their plot(s) which will be re-assigned without a refund.

1. Gardeners are responsible for all tilling, cultivating, weeding, fertilizing, watering, end of season clean up, and all other care of their plots. *Plants on the State's Noxious Weed List are not allowed.* See the web page at www.dnr.metrokc.gov/wlr/lands/weeds/index.htm
2. Gardeners must begin working in their assigned plots between opening day on Sunday, April 11 and Friday, May 7. **To maximize use of limited space, plots not worked by the second Saturday in May will be reassigned and no refund given.**
3. All plots are rented on a year-round basis. **However, at the end of the primary growing season (by October 31st) gardeners who are not doing winter gardening are required to remove all non-plant materials from their plots** including plastic pots, wire tomato cages, stakes, tools, tires, etc. **If gardeners fail to adequately clean out their plots, parks maintenance staff will do so and those gardeners will be billed for the clean-up. Also, those gardeners will not be reassigned plots the following year.**
4. The King County Community Gardening Program is an organic gardening program. Use of pesticides, herbicides, and insecticides made from synthetic materials as well as use of chemical fertilizers is strictly forbidden. Slug bait is permitted only when used in enclosed containers, which must be removed from the site after use. Use of raw human or animal waste, including "hot or green" manure is not allowed due to environmental and health concerns, however fully composted manures such as steer and chicken manure are allowed. For information on organic fertilizers and pest control, call the **Master Gardener Hotline at 206-296-3440.**
5. Community Gardens are to be used for recreational gardening and for growing vegetables and flowers for

family use only. *Growing vegetables and flowers for commercial purposes is prohibited.*

6. Place community garden plant materials in the designated compost areas. Do not pile weeds and rocks in the pathways. Place bagged, non-plant materials (plastic, wire, trash) *next to* compost bins for removal, not in the compost bin.
7. **Gardeners must be present at their plots while watering them.** Drip irrigation, soaker hoses, and other irrigation may not be left on unattended. Please conserve water as much as possible, and minimize use of sprinklers, especially between 10am – 6pm.
8. If you witness or experience garden theft or vandalism, please notify police by calling 206-296-3311 to file a report, as well as the Recreation Office 206-205-8751. **Due to the open nature of parks and garden sites, Parks is not responsible for loss of garden products.**
9. Due to budget constraints, maintenance crews no longer mow garden paths. Gardeners must mow or weed-whack areas of the paths adjacent to their plots to allow safe passage of others.
10. Motorized vehicles and equipment, with the exception of small rototillers, mowers, and weed-whackers, are not allowed in the gardens.
11. Dogs and other animals are NOT allowed in the garden area at any time.
12. There is no smoking in the gardens. Research shows that tobacco can transmit a virus to tomatoes.
13. Gardeners may not keep open containers of water on the premises. These are perfect breeding grounds for mosquitoes that may carry and spread viruses that are dangerous to humans
14. Since plots are close together, gardeners must keep plots relatively free of weeds, especially when weeds are seeding, to avoid spreading them to other plots.

Green River Park Community Gardens Application

Name _____e-mail_____

Mailing Address _____

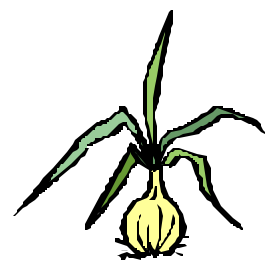

City _____ State _____ Zip _____

Day Phone () _____ Evening Phone () _____

Each plot is 10' x 40'

1. Please check the appropriate items:

- ☐ I have gardened at this location in 2003 and would like plot(s) # _____, if available.
- ☐ This is my first year at this Community Gardens.
- ☐ I would like a plot near a friend.
Friend's Name: _____

2. How many plots would you like to reserve? \$50. per plot x _____ plots = \$_____ (total due)

☐ Enclosed is my check made payable to King County Parks.

☐ Charge my credit card: Visa MasterCard Discover Card

Card # _____ Exp. Date _____ Signature _____
